PROXY STATEMENT

TIME, DATE AND PLACE OF ANNUAL MEETING

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the “**Board of Directors**”) of Capital Product Partners L.P., a limited partnership organized under the laws of the Republic of the Marshall Islands (the “**Partnership**”, “**CPLP**”, “**us**”, “**our**” or “**we**”), of proxies from our limited partners (the “**Limited Partners**”), for use at our Annual Meeting of Limited Partners (the “**Annual Meeting**”) to be held at our principal executive offices at 3 Iassonos Str., 18 537 Piraeus, Greece, at 11:30 am Greek time, on September 5, 2018, and at any adjournments or postponements thereof, pursuant to the enclosed Notice of Annual Meeting.

The date this Proxy Statement is being sent to the Limited Partners is July 24, 2018. You should review the information provided herein in conjunction with our Annual Report for the year ended December 31, 2017, which accompanies this Proxy Statement. Our principal executive offices are located at 3 Iassonos Str., 18 537 Piraeus, Greece, and our telephone number is +30 210 458 4950.

INFORMATION CONCERNING PROXY

The enclosed proxy is solicited on behalf of our Board of Directors. The giving of a proxy does not preclude the right to vote in person should any Limited Partner giving the proxy so desire. Limited Partners have an unconditional right to revoke their proxy at any time prior to the exercise thereof, either in person at the Annual Meeting or by filing at our headquarters a written notice of revocation or a duly executed proxy bearing a later date; no such revocation will be effective, however, until written notice of the revocation or a duly executed proxy bearing a later date is received by us at or prior to the Annual Meeting.

The cost of preparing, assembling and mailing this Proxy Statement and the accompanying Annual Report, the Notice of Annual Meeting and the enclosed proxy is to be borne by us. In addition to the use of mail, our directors and officers of our General Partner may solicit proxies personally, by telephone, electronically or by other means of communication. These directors and officers will receive no compensation for soliciting proxies (other than their regular compensation). We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy materials to their principals and to request authority for the execution of proxies. We will reimburse such persons for their expenses in doing so. In addition, we have engaged Morrow Sodali LLC, 470 West Avenue, Stamford, CT 06902, as our proxy solicitor to help us solicit proxies from brokers, banks or other nominees. We will pay Morrow Sodali LLC a fee of \$3,000.00, plus any costs and expenses, for consultation services and solicitation of proxies from brokers, banks and nominees and a charge of \$6.50 per record

holder or non-objecting beneficial owner for the solicitation of proxies from such holder or beneficial owner.

Copies of proxy materials for the Annual Meeting will also be available on the Partnership's website at www.capitalpplp.com.

PURPOSES OF THE ANNUAL MEETING

At the Annual Meeting, our Limited Partners will consider and vote upon the following matters:

1. To elect one Class II Director of CPLP to serve until the 2021 Annual Meeting of Limited Partners;
2. To elect a second Class II Director of CPLP to serve until the 2021 Annual Meeting of Limited Partners;
3. To consider and vote upon a proposal to ratify the appointment of Deloitte Certified Public Accountants S.A., as our independent registered public accounting firm for the fiscal year ending December 31, 2018; and
4. To transact such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

Unless contrary instructions are indicated on your proxy, all Partnership units represented by valid proxies received pursuant to this solicitation (and which have not been revoked in accordance with the procedures set forth herein) will be voted (a) for the election of the nominees for directors named below and (b) in favor of all other proposals described in the Notice of Annual Meeting. The Board of Directors knows of no other business that may properly come before the Annual Meeting; however, if other matters properly come before the Annual Meeting, it is intended that the persons named in the proxy will vote thereon in accordance with their best judgment. In the event a unitholder specifies a different choice by means of the unitholder's proxy, the unitholder's units will be voted in accordance with the specification so made.

OUTSTANDING VOTING SECURITIES AND VOTING RIGHTS

Our Board of Directors previously set the close of business on July 9, 2018 as the record date for determining which of our unitholders are entitled to notice of, and to vote at, the Annual Meeting. As of the record date, there were 127,246,692 outstanding common units (the "**Common Units**") and 12,983,333 outstanding Class B Convertible Preferred Units (the "**Class B Units**") and together with the Common Units, the "**Partnership units**") that are entitled to be voted at the Annual Meeting. Each Partnership unit is entitled to one vote on each matter submitted to Limited Partners for approval at the Annual Meeting (subject to the redistribution of voting rights for holders of 5% or more of the outstanding Partnership units in accordance with the Limited Partnership Agreement, as further described in the accompanying Annual Report). The holders of the Class B Units have voting rights that are identical to the voting rights of the Common Units on an as-converted basis; provided, however, that, in accordance with the terms

of the Limited Partnership Agreement, holders of Class B Units have no right to vote for any director at this Annual Meeting. Any Common Units owned by Capital Maritime & Trading Corp. ("Capital Maritime") and its affiliates have the same rights as the Partnership's other outstanding Common Units; provided, however, that Common Units owned by Capital Maritime and its affiliates do not vote for directors. As of July 9, 2018, Capital Maritime and its affiliates owned 20,575,978 of our Common Units.

The Annual Meeting will be subject to the following quorum and voting requirements:

- The attendance, in person or by proxy, of one or more Limited Partners holding at least a majority of the total voting rights of the Partnership (including those rights attaching to the Class B Units) at the Annual Meeting shall constitute a quorum; provided, however, that if the Annual Meeting has been adjourned twice due the absence of quorum, the holders of 25% of the total voting rights of the Partnership (including those rights attaching to the Class B Units) and which are represented in person or by proxy shall constitute a quorum for the purposes of such meeting.
- The affirmative vote of a plurality of the Common Units represented in person or by proxy at the Annual Meeting, excluding Common Units owned by Capital Maritime or its affiliates, will be required for the election of the Class II Directors nominees.
- The affirmative vote of a majority of the votes cast by holders of the Common Units and Class B Units considered together as a single class will be required to approve the ratification of the appointment of our auditors.

If less than a majority of the outstanding Partnership units entitled to vote is represented at the Annual Meeting, a majority of the Partnership units so represented may adjourn the Annual Meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken, unless such adjournment shall be for more than 45 days, in which event notice shall be given to all unitholders for which the meeting is proposed.

Prior to the Annual Meeting, we will select one or more inspectors of election for the meeting. Such inspector(s) shall determine the number of Partnership units represented at the meeting, the existence of a quorum and the validity and effect of proxies, and shall receive, count and tabulate ballots and votes and determine the results thereof.

Your vote is important:

- Abstentions will be considered as units present and entitled to vote at the Annual Meeting and will be counted as votes cast at the Annual Meeting, but will not be counted as votes cast for or against *any given matter*.
- If your Partnership units are held in street name through a bank or broker, your bank or broker may vote your units under certain circumstances if you do not provide voting instructions before the Annual Meeting, in accordance with New

York Stock Exchange rules that govern the banks and brokers. These circumstances include “routine matters”, such as the ratification of the appointment of our independent registered public accounting firm described in this Proxy Statement. Thus, if you do not vote your Partnership units with respect to this matter, your bank or broker may vote your Partnership units on your behalf or leave your Partnership units unvoted.

- The election of directors is not considered a “routine matter”. Thus, if you do not vote your Common Units with respect to this matter, your bank or broker may not vote your Common Units, and your Common Units will be left unvoted on the matter.

“Broker non-votes” occur when Partnership units represented by proxies received from a bank or broker are not voted *on a matter* because the bank or broker did not receive voting instructions from the bank or broker’s customer. Broker non-votes will be treated the same as abstentions, which means the Partnership units will be deemed to be present at the Annual Meeting for purposes of determining whether a quorum exists provided that the Partnership units have been voted on at least one matter. In tabulating the votes for any particular proposal, Partnership units that constitute broker non-votes or abstentions are not considered units present and entitled to vote with respect to *the matter on which the broker has not voted or the abstention has been received*. Thus, abstentions and broker non-votes will not have an effect on such matter because they will not be counted as votes cast.

INTERNET AVAILABILITY FOR VOTING

Following receipt of your proxy card, you may vote your Common Units or Class B Units by accessing www.proxyvote.com.

CORPORATE GOVERNANCE

Board Responsibilities, Structure and Requirements

Pursuant to our Limited Partnership Agreement, our General Partner has delegated to our Board of Directors the authority to oversee and direct our operations, management and policies on an exclusive basis, and such delegation is binding on any successor general partner of the Partnership. Our General Partner, Capital GP L.L.C., a Marshall Islands limited liability company wholly owned by Capital Maritime, manages our day-to-day activities consistent with the policies and procedures adopted by our Board of Directors.

Mr. Keith Forman is the Chairman of our Board of Directors since October 1, 2017.

Our General Partner intends to cause its officers to devote as much time as is necessary for the proper conduct of our business and affairs. Our General Partner's Chief Executive Officer, Gerasimos (Jerry) Kalogiratos, Chief Operating Officer, Gerasimos Ventouris, and Chief Financial Officer, Nikolaos Kalapotharakos, allocate their time between managing our business and affairs and the business and affairs of Capital Maritime. The amount of time they allocate between our business and the businesses of Capital Maritime varies depending on various circumstances and needs of the businesses, such as the relative levels of strategic activities of the businesses.

Meetings and Committees of the Board of Directors

Our Board of Directors and its committees meet throughout the year generally on a quarterly schedule, and hold special meetings and act by written consent from time to time as appropriate. During the fiscal year ended December 31, 2017, our Board of Directors held eight meetings and also approved certain actions by unanimous written consents; our audit committee held four meetings; and our conflicts committee held three meetings. All of our directors attended all of the meetings of the Board of Directors and the committees on which they served. We strongly encourage all directors to attend the Annual Meeting of Limited Partners, but we have no specific policy requiring attendance by directors at such meetings.

Our Board of Directors delegates various responsibilities and authority to Board committees. Committees regularly report on their activities and actions to the full Board. The committees of the Board of Directors are the audit committee and the conflicts committee. Our Board of Directors has determined that each member of the audit committee and conflicts committee, is an independent director or nominee director, as applicable, in accordance with the standards adopted by the NASDAQ Global Select Market, the U.S. Securities and Exchange Commission (the "**SEC**") and any other applicable laws and regulations governing independence from time to time.

Our Board of Directors has adopted written charters for the audit and conflicts committees, as well as a Code of Business Conduct and Ethics that applies to the Partnership and all of its employees, directors, officers and agents. The charters for the audit and conflicts committees and Code of Business Conduct and Ethics are publicly available in the "Corporate Governance" section of our website at www.capitalppl.com, and each is available in print, upon

request and without charge, to any unitholder. Each of the committees has the authority to retain independent advisors and consultants, with all fees and expenses to be paid by us.

The Nasdaq Global Select Market does not require a listed limited partnership like us to establish a compensation committee or a nominating/corporate governance committee. Due to our partnership structure, the size of our board and the fact that the compensation of our executive officers is set and paid by our General Partner, the Board has determined that it is appropriate for the Partnership not to have a compensation committee or nominating/corporate governance committee at this time.

Our full Board of Directors is responsible for overseeing the selection of persons to be nominated to serve on our Board. In connection with the selection and nomination process, the full Board of Directors considers and determines the desired experience, mix of skills and other qualities necessary to assure appropriate Board composition, taking into account the current Board members and the specific needs of the Partnership and the Board. The criteria for selecting directors includes such factors as (i) the candidate's ability to comprehend the Partnership's strategic goals and to help guide the Partnership towards the accomplishment of those goals; (ii) the history of the candidate in conducting his or her personal and professional affairs with the utmost integrity and observing the highest standards of values, character and ethics; (iii) the candidate's time availability for participation at Board and committee meetings; (iv) the candidate's judgment and business experience with related businesses or other organizations of comparable size; (v) the knowledge and skills the candidate would add to the Board and its committees, including the candidate's knowledge of the rules and regulations of the SEC and national stock exchanges, and accounting and financial reporting requirements; (vi) the candidate's ability to satisfy the criteria for independence established by the SEC and national stock exchanges; and (vii) the interplay of the candidate's experience with the experience of other Board members.

Although the Partnership does not have a formal procedure, the Board will consider all candidates recommended by the Partnership's unitholders. Due to the infrequency of nominations, the Partnership does not believe that the adoption of a formal policy for consideration of unitholder nominees is appropriate at this time.

Audit Committee

Our audit committee currently consists of Messrs. Rasterhoff (Chair), Christacopoulos, Forman and Hussey, each of whom the Board of Directors has determined is an independent director. Mr. Rasterhoff has been designated an "Audit Committee Financial Expert" under the SEC rules. The audit committee has powers and performs the functions customarily performed by such a committee.

Our Board of Directors is responsible for the Partnership's financial statements and internal controls. The independent auditor of the Partnership, Deloitte Certified Public Accountants S.A., reports directly to the audit committee and is responsible for performing an independent audit of the Partnership's annual consolidated financial statements. The audit committee's overall responsibility is to assist the Board of Directors in overseeing the quality and integrity of the accounting, auditing and financial reporting practices.

Conflicts Committee

Our conflicts committee currently consists of Messrs. Forman (Chair), Christacopoulos, Hussey and Rasterhoff, each of whom the Board of Directors has determined is an independent director. Our conflicts committee charter provides that the members of our conflicts committee (A) may not be (a) security holders, officers or employees of our General Partner, (b) officers, directors or employees of any affiliate of our General Partner or (c) holders of any ownership interest in the Partnership other than Common Units and (B) must meet the independence standards of NASDAQ and the SEC and any other applicable laws and regulations governing independence from time to time.

Our conflicts committee reviews specific matters that our Board of Directors believes may involve conflicts of interest and determines if the resolution of the conflict of interest is fair and reasonable to us. Any matters approved by a majority of the members of our conflicts committee (a so-called “Special Approval” under the Limited Partnership Agreement) will be deemed to be permitted and approved by all holders of Partnership units, and shall not constitute a breach of the Limited Partnership Agreement or of any duty stated or implied by law or equity.

Director Independence

While our Common Units are listed on the NASDAQ Global Select Market, there is no requirement that our Board of Directors be composed of a majority of independent directors.

The Board of Directors has evaluated whether each of the directors meets the independence requirements set forth in the NASDAQ listing rules and our Limited Partnership Agreement. The NASDAQ independence definition includes a series of objective tests, such as whether the director or nominee director is our employee or has engaged in various types of business dealings with us. In addition, the Board of Directors is required to make a subjective determination that no relationships exist which, in the opinion of the Board of Directors, would interfere with the exercise of the director’s independent judgment in carrying out his or her responsibilities. After reviewing the information presented to it, our Board of Directors has determined that each of Messrs. Rasterhoff, Forman, Christacopoulos and Hussey and Ms. Tsoukala is “independent” within the meaning of such rules. In making this determination, the Board of Directors reviewed and discussed information provided by Messrs. Rasterhoff, Forman, Christacopoulos and Hussey and Ms. Tsoukala with regard to their respective business and personal activities as they may relate to us, our General Partner and our General Partner’s management. Our independent directors will meet in executive session as often as necessary to fulfill their duties, but no less frequently than annually. The Board determined that Messrs. Kalogiratos and Grewal are not independent under the NASDAQ listing rules.

Corporate Governance

The Nasdaq Global Select Market requires limited partnerships with listed units to comply with certain of its corporate governance standards. As a foreign private issuer, we are not required to comply with all of the rules that apply to listed U.S. limited partnerships. However, we have generally chosen to comply with most of the Nasdaq Global Select Market’s corporate governance rules as though we were a U.S. limited partnership. Although we are not required to

have a majority of independent directors on our Board of Directors or to establish a compensation committee or a nominating/corporate governance committee, our Board of Directors has established an audit committee and a conflicts committee comprised solely of independent directors. Accordingly, we do not believe there are at present any significant differences between our corporate governance practices and those that would typically apply to a U.S. domestic issuer that is a limited partnership under the corporate governance standards of the Nasdaq Global Select Market.

Unitholder Communications with the Board of Directors

Although our Board of Directors has not adopted a formal procedure for unitholders to communicate in writing with members of the Board of Directors, any such communications received by the Partnership will be forwarded to our Board of Directors. Because our Board of Directors meets frequently and is able to meet on short notice, the Partnership has not deemed it necessary to adopt a formal communication procedure at this time.

Code of Business Conduct and Ethics and Corporate Governance Guidelines

The Nasdaq Global Select Market does not require a listed limited partnership like us to comply with all of its corporate governance requirements. The Board, however, has adopted a Code of Business Conduct and Ethics. The Board of Directors is responsible for overseeing the Code of Business Conduct and Ethics. Among other matters, the code addresses the following matters concerning the Board and its committees:

- Conduct relating to personal relationships, including conflicts of interest and corporate opportunities;
- Conduct relating to confidential information, including insider trading;
- Conduct relating to company property;
- Conduct relating to records and accounts, including a ban on loans to employees;
- Reporting and compliance procedures; and
- Anti-bribery and corruption.

Our Board of Directors has adopted written charters for the audit and conflicts committees. See above “—Meetings and Committees of the Board of Directors”.

Role of the Board of Directors in Risk Oversight

Our Board of Directors and the audit committee oversee the management of the risks to which the Partnership is exposed. Risks are identified, assessed and managed on an ongoing basis by the Board of Directors and, under the Board of Director’s oversight, the officers of our General Partner, and addressed during periodic board and committee meetings, resulting in both board and committee discussions and public disclosure, as appropriate. The Board of Directors is responsible for overseeing our General Partner’s management in the execution of its risk

management responsibilities and for reviewing our approach to risk management. The Board of Directors administers this risk oversight function either through the full Board of Directors or through the audit committee, each of which examines various components of the risks to which we are exposed as part of its responsibilities. An overall review of risk is inherent in the Board of Director's consideration of our long and short term strategies, acquisitions and significant financial matters. The audit committee oversees financial risks (including risks associated with accounting and financial reporting), legal and compliance risks and other risk management functions.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Board of Directors and conflicts committee are responsible for the review and approval of "related party transactions" between us and our directors, the executive officers of our General Partner, our General Partner, Capital Maritime or other related persons. Under SEC rules, a related person is a director, officer, nominee for director or 5% or greater unitholder since the beginning of our last fiscal year and their immediate family members. Each related party transaction is reviewed by the Board of Directors and, when such transaction is referred to it in accordance with the terms of our Limited Partnership Agreement, the conflicts committee before we enter into the transaction.

Manager

We have entered into three separate technical and commercial management agreements with Capital Ship Management Corp., our Manager, for the management of our fleet. These include (i) a fixed fee management agreement, (ii) a floating fee management agreement and (iii), with respect to the vessels acquired as part of the merger with Crude Carriers Corp. ("**Crude Carriers**"), the Crude Carriers management agreement. Each vessel in our fleet is managed under the terms of one of these three agreements.

Fixed fee management agreement. At the time of our IPO, we entered into an agreement with our Manager under which our Manager has agreed to provide us with certain commercial and technical management services for a fixed daily fee per managed vessel. The fixed daily fee covers (a) commercial and technical management services, (b) the respective vessel's operating costs, such as crewing, repairs and maintenance, insurance, stores, spares and lubricants, and (c) the cost of the first special survey or next scheduled drydocking of each managed vessel. In addition to the fixed daily fees payable under the management agreement, our Manager is entitled to supplementary compensation for extraordinary fees and costs (as described in the agreement), which may vary from time to time. We also pay a fixed daily fee per bareboat chartered vessel in our fleet, mainly to cover compliance and commercial costs, which includes those costs incurred by our Manager to remain in compliance with the oil majors' requirements, including vetting requirements. The Partnership paid \$0.5 million in management fees to the Manager in 2017 under the fixed fee management agreement.

Floating fee management agreement. In June 2011, we entered into an agreement with our Manager under which we are charged actual expenses incurred by our Manager. Under the terms of this agreement, we compensate our Manager for expenses and liabilities incurred on our behalf while providing the agreed services to us, including, but not limited to, crew, repairs and

maintenance, insurance, stores, spares, lubricants and other operating costs. Costs and expenses associated with a managed vessel's next scheduled drydocking are borne by us and not by our Manager. We also pay our Manager a daily technical management fee per managed vessel that is revised annually based on the United States Consumer Price Index. The Partnership paid \$10.1 million in management fees to the Manager in 2017 under the floating fee management agreement.

Crude Carriers management agreement. In September 2011, we completed our merger with Crude Carriers. Currently, three of the five crude tanker vessels we acquired as part of the merger continue to be managed under a management agreement entered into in March 2010, as amended, with our Manager whose initial term expires on December 31, 2020. Under the terms of this agreement, we compensate our Manager for all of its expenses and liabilities incurred on our behalf while providing the agreed services to us, including, but not limited to, crew, repairs and maintenance, insurance, stores, spares, lubricants and other operating and administrative costs. We have agreed to pay our Manager a daily technical management fee per managed vessel that is revised annually based on the United States Consumer Price Index. The Partnership paid \$1.0 million in management fees to the Manager in 2017 under the Crude Carriers management agreement. Our Manager has the right to terminate the Crude Carriers management agreement and, under certain circumstances, could receive substantial sums in connection with such termination; however, even if our Board of Directors or our unitholders are dissatisfied with the Manager, there are only limited circumstances under which we can terminate this management agreement. The termination fee was initially set at \$9.0 million in March 2010 and increases on each one-year anniversary during which the management agreement remains in effect (on a compounding basis) in accordance with the total percentage increase, if any, in the United States Consumer Price Index over the immediately preceding 12 months. Since March 2018, this termination fee has been \$10.3 million.

Other Related-Party Transactions

Charter Party Agreements with Capital Maritime. During 2017, each of the M/T Aktoras, M/T Aiolos, M/T Miltiadis M II and M/T Amoureux entered into new or extended existing charter party agreements with Capital Maritime. These new charters/extensions were unanimously approved by the conflicts committee. The daily rates under each of these charter parties are \$11,000 for the M/T Aktoras, \$11,000 for the M/T Aiolos, \$25,000 and \$18,000 for the M/T Miltiadis M II under separate charter parties, and \$22,000 for the M/T Amoureux.

Share Purchase Agreement for the acquisition of the vessel owning company of the M/T Aristaios. On January 17, 2018, we acquired from Capital Maritime the shares of the company owning the M/T Aristaios, an eco-type crude tanker (113,689 dwt, Ice Class 1C, built in 2017, Daehan Shipbuilding Co. Ltd., South Korea), for a total consideration of \$52.5 million. We financed the acquisition with \$24.2 million in cash and the assumption of a \$28.3 million term loan under a credit facility previously arranged by Capital Maritime with Credit Agricole Corporate and Investment Bank and ING Bank NV.

Share Purchase Agreement for the acquisition of the vessel owning company of the M/T Anikitos. On May 4, 2018, we acquired from Capital Maritime the shares of the company owning the M/T Anikitos, an eco-type MR product tanker (50,082 dwt IMO II/III chemical product

tanker built 2016, Samsung Heavy Industries (Ningbo) Co., Ltd.) for a total consideration of \$31.5 million. The Partnership funded the acquisition of the M/T Anikitos with the net proceeds received from the sale of the M/T Aristotelis, available cash and the assumption of a term loan under a credit facility with ING Bank NV of approximately \$15.6 million.

Omnibus Agreement with Capital Maritime. On September 30, 2011, we entered into an amended and restated Omnibus Agreement with Capital Maritime, our General Partner and Capital Product Operating L.L.C., which governs the manner in which certain future tanker business opportunities will be offered by Capital Maritime to us (the “**Omnibus Agreement**”). The Omnibus Agreement does not apply to container and drybulk vessels. Under the terms of the Omnibus Agreement, Capital Maritime and its controlled affiliates (other than us, our General Partner and our subsidiaries) have agreed not to acquire, own or operate product or crude oil tankers with carrying capacity greater than or equal to 30,000 dwt under time or bareboat charters with a remaining duration (excluding any extension options) of at least 12 months (calculated by reference to the earliest of (a) the date the tanker to which such time or bareboat charter is attached is first acquired by Capital Maritime or any of its controlled affiliates and (b) the date on which a tanker owned by Capital Maritime or any of its controlled affiliates is put under such time or bareboat charter) without the consent of our General Partner or our Board of Directors or without first offering such tanker vessel to us. Similarly, we may not acquire, own or operate product or crude oil tankers with a carrying capacity under 30,000 dwt, other than vessels we had owned prior to the date of the Omnibus Agreement, without first offering such tanker vessel to Capital Maritime. Furthermore, we granted Capital Maritime a right of first offer on the disposal of product and crude oil tankers, whereas Capital Maritime granted us a right of first offer on any disposal or re-chartering of any product and crude oil tanker with a carrying capacity greater than or equal to 30,000 dwt owned or acquired by Capital Maritime or any of its controlled affiliates (other than us).

Administrative and executive services agreements. On April 4, 2007, we entered into an administrative services agreement with our Manager, pursuant to which our Manager has agreed to provide certain administrative management services to the Partnership, such as accounting, auditing, legal, insurance, clerical and other administrative services. On the same date, we entered into an IT services agreement with our Manager pursuant to which our Manager provides IT management services to CPLP. In addition, we reimburse our Manager and our General Partner for reasonable and duly documented costs and expenses incurred in connection with the provision of these services pursuant to both agreements, amounting to \$0.1 million in 2017. In 2015, we entered into an executive services agreement (the “**Executive Services Agreement**”), as amended in 2016, with our General Partner. Under the Executive Services Agreement, our General Partner provides certain executive officers services for the management of the Partnership’s business, as well as investor relation and corporate support services, for total consideration of \$1,687,500 per year.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth as of the date hereof, the beneficial ownership of our Common Units by each person we know beneficially owns more than 5.0% or more of our Common Units, and all of our directors, director nominees and the executive officers of our

General Partner as a group. The number of units beneficially owned by each person is determined under SEC rules and the information is not necessarily indicative of beneficial ownership for any other purpose. Under SEC rules a person beneficially owns any units as to which the person has or shares voting or investment power.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

As a foreign private issuer, Section 16(a) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), does not apply to our executive officers, directors or holders of 10% or more of our Partnership units.

COMPENSATION OF MANAGEMENT AND DIRECTORS

Executive Compensation

The compensation of our General Partner's Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, is set and paid by our General Partner, and we reimburse our General Partner for such costs and related expenses under relevant executive service agreements, as further described below. We do not have a retirement plan for our General Partner's executive officers or directors. Officers, employees and affiliates of our General Partner may participate in employee benefit plans and arrangements sponsored by Capital Maritime, our General Partner or their affiliates, including plans that may be established in the future.

On April 29, 2008, our Board of Directors adopted an Omnibus Incentive Compensation Plan (the "**Omnibus Plan**"), according to which we may issue a limited number of awards to employees, consultants, officers, directors or affiliates, including the employees, consultants, officers or directors of our General Partner, our Manager, Capital Maritime and certain key affiliates and other eligible persons. Awards may be made in the form of incentive stock options, non-qualified stock options, stock appreciation rights, dividend equivalent rights, restricted stock, unrestricted stock, restricted stock units and performance units. In August 2014, following approval obtained from our Limited Partners at our 2014 annual meeting, we amended and restated our Omnibus Plan to increase the maximum number of restricted units authorized for issuance thereunder from 800,000 to 1,650,000. The Omnibus Plan is administered by our General Partner as authorized by our Board of Directors. Details of the grants made under the Omnibus Plan are provided below under "Compensation Discussion and Analysis."

Director Compensation

Our directors receive compensation for their services as directors, as well as for serving in the role of committee chair, and have also received restricted units. For the year ended December 31, 2017, our directors, including our chairman, received an aggregate amount of \$0.5 million in cash. In lieu of any other compensation, our chairman receives an annual fee for acting as a director and as the chairman of our Board of Directors. In addition, each director is reimbursed for out-of-pocket expenses in connection with attending meetings of the Board of Directors or committees and is fully indemnified by us for actions associated with being a director to the extent permitted under Marshall Islands law.

Reimbursement of Expenses Incurred by Our General Partner

Our General Partner does not receive any management fee or other compensation for managing us. Our General Partner and its other affiliates are reimbursed for expenses incurred on our behalf. These expenses include all expenses necessary or appropriate for the conduct of our business and allocable to us, as determined by our General Partner. In 2017, these expenses for which our General Partner was reimbursed amounted to \$0.1 million.

Compensation Discussion and Analysis

As described above, we do not employ our own management. Instead, the officers of our General Partner are acting on our behalf, as agents of the Partnership.

Pursuant to the terms of the Executive Services Agreement, we pay our General Partner \$1,687,500 per year as compensation for services related to the management of our business and affairs, including the appointment and performance of relevant duties of the chief executive officer, chief finance officer, and a number of additional officers. Officers, employees and affiliates of our General Partner may participate in employee benefit plans and arrangements sponsored by Capital Maritime, our General Partner or their affiliates, including plans that may be established in the future. Upon a “change of control” (as defined in the Executive Services Agreement) officers and consultants appointed by the General Partner may be entitled to certain compensation under their applicable employment or consultancy agreement if they resign within three years after the change of control pursuant to, and on terms consistent with, applicable provisions in their respective agreements. See above “Certain Relationships and Related Transactions—Other Related-Party Transactions—*Administrative and executive services agreements*”.

In determining the amount to be paid to our General Partner under services agreement, our Board of Directors considers the costs incurred and expected to be incurred by our General Partner in providing the services within industry standards.

From time to time, the Board of Directors also considers the appropriateness of granting to our directors and the executive officers and affiliates of our General Partners restricted units under our Omnibus Plan, subject to vesting requirements, in order to align the interest of our directors, executive officers and such key employees with those of our unitholders. In determining the amount of these grants, the Board of Directors considers the then-current market price of our Common Units, the aggregate holdings of our directors and of the management and key employees of our General Partner, Manager and their respective affiliates, the results of the Partnership’s operations for the year, and the contribution of the Board of Directors, the General Partner’s management and the Manager to the Partnership’s results.

On July 22, 2010, our Board of Directors amended the Omnibus Plan to increase the aggregate number of restricted units issuable under the Omnibus Plan to 800,000. On August 31, 2010, we, either directly or through our General Partner, issued 795,200 of the 800,000 units authorized under the Omnibus Plan. Awards were issued to all members of our Board of Directors, to officers of our General Partner, our Manager, Capital Maritime and to employees of certain key affiliates and other eligible persons, with the majority vesting three years from the date of issuance, except for awards issued to certain members of our Board of Directors, which vested in equal annual installments over a three-year period. On August 31, 2013, the units previously issued pursuant to the Omnibus Plan fully vested and as of December 31, 2013, there were no incentive awards outstanding under the Omnibus Plan. Following approval of our unitholders at our 2014 annual meeting, on August 21, 2014, our Board of Directors amended the Omnibus Plan to increase the aggregate number of restricted units issuable under the Omnibus Plan to 1,650,000 from 800,000. On December 23, 2015, we awarded 850,000 unvested units to all members of our Board of Directors, to officers of our General Partner, our Manager, Capital

Maritime, and to employees of certain key affiliates and other eligible persons, with the majority vesting three years from the date of issuance.

All awards issued under our Omnibus Plan are conditional upon the grantee's continued service until the applicable vesting date and all awards accrue distributions payable upon vesting.
