This Proxy Statement is furnished in connection with the solicitation by the Board of Directors (the “**Board of Directors**”) of Capital Product Partners L.P., a limited partnership organized under the laws of the Republic of the Marshall Islands (the “**Partnership**”, “**CPLP**”, “**us**”, “**our**” or “**we**”), of proxies from our limited partners (the “**Limited Partners**”), for use at our Annual Meeting of Limited Partners (the “**Annual Meeting**”) to be held at our principal executive offices at 3 Iassonos Str., 18 537 Piraeus, Greece, at 11:30 am Greek time, on September 24, 2020 and at any adjournments or postponements thereof, pursuant to the enclosed Notice of Annual Meeting.

You should review the information provided herein in conjunction with our Annual Report for the year ended December 31, 2019, which accompanies this Proxy Statement. Our principal executive offices are located at 3 Iassonos Str., 18 537 Piraeus, Greece, and our telephone number is +30 210 458 4950.

INFORMATION CONCERNING PROXY

The enclosed proxy is solicited on behalf of our Board of Directors. The giving of a proxy does not preclude the right to vote in person should any Limited Partner giving the proxy so desire. Limited Partners have an unconditional right to revoke their proxy at any time prior to the exercise thereof, either in person at the Annual Meeting or by filing at our headquarters a written notice of revocation or a duly executed proxy bearing a later date; no such revocation will be effective, however, until written notice of the revocation or a duly executed proxy bearing a later date is received by us at or prior to the Annual Meeting.

The cost of preparing, assembling and mailing this Proxy Statement and the accompanying Annual Report, the Notice of Annual Meeting and the enclosed proxy is to be borne by us. In addition to the use of mail, our directors and officers of our General Partner may solicit proxies personally, by telephone, electronically or by other means of communication. These directors and officers will receive no compensation for soliciting proxies (other than their regular compensation). We may request banks, brokers and other custodians, nominees and fiduciaries to forward copies of the proxy materials to their principals and to request authority for the execution of proxies. We will reimburse such persons for their expenses in doing so. In addition, we have engaged Morrow Sodali LLC, 470 West Avenue, Stamford, CT 06902, as our proxy solicitor to help us solicit proxies from brokers, banks or other nominees. We will pay Morrow Sodali LLC a fee of \$3,000.00, plus any costs and expenses, for consultation services and solicitation of proxies from brokers, banks and nominees and a charge of \$6.50 per record holder or non- objecting beneficial owner for the solicitation of proxies from such holder or beneficial owner.

Copies of proxy materials for the Annual Meeting will also be available on the Partnership's website at www.capitalpplp.com.

PURPOSES OF THE ANNUAL MEETING

At the Annual Meeting, our Limited Partners will consider and vote upon the following matters:

1. To elect one Class I Director of CPLP to serve until the 2023 Annual Meeting of Limited Partners;
2. To consider and vote upon a proposal to ratify the appointment of Deloitte Certified Public Accountants S.A., as our independent registered public accounting firm for the fiscal year ending December 31, 2020; and
3. To transact such other business as may properly come before the Annual Meeting and any adjournments or postponements thereof.

Unless contrary instructions are indicated on your proxy, all common units of the Partnership ("**Common Units**") represented by valid proxies received pursuant to this solicitation (and which have not been revoked in accordance with the procedures set forth herein) will be voted (a) for the election of the nominee for director named below and (b) in favor of all other proposals described in the Notice of Annual Meeting. The Board of Directors knows of no other business that may properly come before the Annual Meeting; however, if other matters properly come before the Annual Meeting, it is intended that the persons named in the proxy will vote thereon in accordance with their best judgment. In the event a unitholder specifies a different choice by means of the unitholder's proxy, the unitholder's units will be voted in accordance with the specification so made.

OUTSTANDING VOTING SECURITIES AND VOTING RIGHTS

Our Board of Directors previously set the close of business on July 28, 2020, as the record date for determining which of our unitholders are entitled to notice of, and to vote at, the Annual Meeting. As of the record date, there were 18,623,100 outstanding Common Units that are entitled to be voted at the Annual Meeting. Each Common Unit is entitled to one vote on each matter submitted to Limited Partners for approval at the Annual Meeting (subject to the redistribution of voting rights for holders of 5% or more of the outstanding Common Units in accordance with the Limited Partnership Agreement, as further described in the accompanying Annual Report). Any Common Units owned by Capital Maritime & Trading Corp. ("**Capital Maritime**") and its affiliates have the same rights as the Partnership's other outstanding Common Units; provided, however, that Common Units owned by Capital Maritime and its affiliates do not vote for directors. As of July 28, 2020, Capital Maritime and its affiliates owned 3,136,926 of our Common Units.

The Annual Meeting will be subject to the following quorum and voting requirements:

- The attendance, in person or by proxy, of one or more Limited Partners holding at least a majority of the total voting rights of the Partnership at the Annual Meeting shall constitute a quorum; provided, however, that if the Annual Meeting has been adjourned twice due the absence of quorum, the holders of 25% of the total voting

rights of the Partnership and which are represented in person or by proxy shall constitute a quorum for the purposes of such meeting.

- The affirmative vote of a plurality of the Common Units represented in person or by proxy at the Annual Meeting, excluding Common Units owned by Capital Maritime or its affiliates, will be required for the election of the Class I Director nominee.
- The affirmative vote of a majority of the votes cast by holders of the Common Units will be required to approve the ratification of the appointment of our auditors.

If less than a majority of the outstanding Common Units entitled to vote is represented at the Annual Meeting, a majority of the Common Units so represented may adjourn the Annual Meeting to another date, time or place, and notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before an adjournment is taken, unless such adjournment shall be for more than 45 days, in which event notice shall be given to all unitholders for which the meeting is proposed.

Prior to the Annual Meeting, we will select one or more inspectors of election for the meeting. Such inspector(s) shall determine the number of Common Units represented at the meeting, the existence of a quorum and the validity and effect of proxies, and shall receive, count and tabulate ballots and votes and determine the results thereof.

Your vote is important:

- Abstentions will be considered as units present and entitled to vote at the Annual Meeting and will be counted as votes cast at the Annual Meeting, but will not be counted as votes cast for or against *any given matter*.
- If your Common Units are held in street name through a bank or broker, your bank or broker may vote your units under certain circumstances if you do not provide voting instructions before the Annual Meeting, in accordance with New York Stock Exchange rules that govern the banks and brokers. These circumstances include “routine matters”, such as the ratification of the appointment of our independent registered public accounting firm described in this Proxy Statement. Thus, if you do not vote your Common Units with respect to this matter, your bank or broker may vote your Common Units on your behalf or leave your Common Units unvoted.
- The election of directors is not considered a “routine matter”. Thus, if you do not vote your Common Units with respect to this matter, your bank or broker may not vote your Common Units, and your Common Units will be left unvoted on the matter.

“Broker non-votes” occur when Common Units represented by proxies received from a bank or broker are not voted *on a matter* because the bank or broker did not receive voting instructions from the bank or broker’s customer. Broker non-votes will be treated the same as abstentions, which means the Common Units will be deemed to be present at the Annual Meeting for purposes of determining whether a quorum exists provided that the Common Units have been voted on at least one matter. In tabulating the votes for any particular proposal, Common Units that constitute broker non-votes or abstentions are not considered units present and entitled to vote with respect to *the matter on which the broker has not voted or the abstention has been received*. Thus, abstentions and broker non-votes will not have an effect on such matter because they will not be counted as votes cast.

INTERNET AVAILABILITY FOR VOTING

Following receipt of your proxy card, you may vote your Common Units by accessing www.proxyvote.com.

PROPOSAL 1: ELECTION OF CLASS I DIRECTOR

Our Limited Partnership Agreement provides that the Board of Directors shall consist of eight individuals, three of whom shall be appointed by our general partner, Capital GP L.L.C. (the “**General Partner**”), and five of whom shall be elected by holders of our Common Units, excluding Common Units owned by Capital Maritime and its affiliates. The accompanying form of proxy, when properly executed and returned to the Partnership, will be voted FOR the election as director of the person named below, unless the proxy contains contrary instructions. Management has no reason to believe that the nominee is unable or unwilling to serve if elected. CORPORATE GOVERNANCE**Board Responsibilities, Structure and Requirements**

Pursuant to our Limited Partnership Agreement, our General Partner has delegated to our Board of Directors the authority to oversee and direct our operations, management and policies on an exclusive basis, and such delegation is binding on any successor general partner of the Partnership. Our General Partner, Capital GP L.L.C. manages our day-to-day activities consistent with the policies and procedures adopted by our Board of Directors. Our General Partner is a limited liability company initially formed and controlled by Capital Maritime as sole member. In April 2019, Capital Maritime transferred all membership interests in our General Partner to Mr. Miltiadis E. Marinakis, Mr. Evangelos M. Marinakis's son, as part of a reallocation of various shipping interests and businesses among members of the Marinakis family.

Mr. Keith Forman is the Chairman of our Board of Directors since October 1, 2017.

Our General Partner intends to cause its officers to devote as much time as is necessary for the proper conduct of our business and affairs. Our General Partner's Chief Executive Officer, Gerasimos (Jerry) Kalogiratos, Chief Operating Officer, Gerasimos Ventouris, and Chief Financial Officer, Nikolaos Kalapotharakos, allocate their time between managing our business and affairs and the business and affairs of Capital Maritime, Capital Ship Management Corp., ("**CSM**") and/or their respective affiliates. The amount of time they allocate between our business and their other positions varies from time to time depending on various circumstances and needs of the businesses, such as the relative levels of strategic activities of the businesses.

Meetings and Committees of the Board of Directors

Our Board of Directors and its committees meet throughout the year generally on a quarterly schedule, and hold special meetings and act by written consent from time to time as appropriate. During the fiscal year ended December 31, 2019, our Board of Directors held 10 meetings and also approved certain actions by unanimous written consents. As part of our board meetings, our independent directors meet without the non-independent directors in attendance. In addition, the board regularly holds sessions without the CEO and executive officers present. During the year ended December 31, 2019 our independent directors held three executive sessions. Our audit committee held four meetings and our conflicts committee held one meeting. All of our directors attended all of the meetings of the Board of Directors and the committees on which they served. We strongly encourage all directors to attend the Annual Meeting of Limited Partners, but we have no specific policy requiring attendance by directors at such meetings.

Our Board of Directors delegates various responsibilities and authority to Board committees. Committees regularly report on their activities and actions to the full Board. The committees of the Board of Directors are the audit committee, compensation committee and the conflicts committee. Our Board of Directors has determined that each member of the audit committee, compensation committee and conflicts committee, is an independent director or nominee director, as applicable, in accordance with the standards adopted by the NASDAQ Global Select Market, the U.S. Securities and Exchange Commission (the “SEC”) and any other applicable laws and regulations governing independence from time to time.

Our Board of Directors has adopted written charters for the audit, compensation and conflicts committees, as well as a Code of Business Conduct and Ethics that applies to the Partnership and all of its employees, directors, officers and agents. The charters for the audit, compensation and conflicts committees and

Code of Business Conduct and Ethics are publicly available in the “Corporate Governance” section of our website at www.capitalpplp.com, and each is available in print, upon request and without charge, to any unitholder. Each of the committees has the authority to retain independent advisors and consultants, with all fees and expenses to be paid by us.

The Nasdaq Global Select Market does not require a listed limited partnership like us to establish a nominating/corporate governance committee. Due to our partnership structure and the size of our board, the Board has determined that it is appropriate for the Partnership not to have a nominating/corporate governance committee at this time.

Our full Board of Directors is responsible for overseeing the selection of persons to be nominated to serve on our Board. In connection with the selection and nomination process, the full Board of Directors considers and determines the desired experience, mix of skills and other qualities necessary to assure appropriate Board composition, taking into account the current Board members and the specific needs of the Partnership and the Board. The criteria for selecting directors includes such factors as (i) the candidate’s ability to comprehend the Partnership’s strategic goals and to help guide the Partnership towards the accomplishment of those goals; (ii) the history of the candidate in conducting his or her personal and professional affairs with the utmost integrity and observing the highest standards of values, character and ethics; (iii) the candidate’s time availability for participation at Board and committee meetings; (iv) the candidate’s judgment and business experience with related businesses or other organizations of comparable size; (v) the knowledge and skills the candidate would add to the Board and its committees, including the candidate’s knowledge of the rules and regulations of the SEC and national stock exchanges, and accounting and financial reporting requirements; (vi) the candidate’s ability to satisfy the criteria for independence established by the SEC and national stock exchanges; and (vii) the interplay of the candidate’s experience with the experience of other Board members.

Although the Partnership does not have a formal procedure, the Board will consider all candidates recommended by the Partnership’s unitholders. Due to the infrequency of nominations, the Partnership does not believe that the adoption of a formal policy for consideration of unitholder nominees is appropriate at this time.

Audit Committee

Our audit committee currently consists of Messrs. Rasterhoff (Chair), Christacopoulos, Forman and Hussey and Ms. Tsoukala, each of whom the Board of Directors has determined is an independent director. Mr. Rasterhoff has been designated an “Audit Committee Financial Expert” under the SEC rules. The audit committee has powers and performs the functions customarily performed by such a committee.

Our Board of Directors is responsible for the Partnership’s financial statements and internal controls. The independent auditor of the Partnership, Deloitte Certified Public Accountants S.A., reports directly to the audit committee and is responsible for performing an independent audit of the Partnership’s annual consolidated financial statements. The audit committee’s overall responsibility is to assist the Board of Directors in overseeing the quality and integrity of the accounting, auditing and financial reporting practices.

Conflicts Committee

Our conflicts committee currently consists of Messrs. Forman (Chair), Christacopoulos, Hussey and Rasterhoff and Ms. Tsoukala, each of whom the Board of Directors has determined is an independent director. Our conflicts committee charter provides that the members of our conflicts committee (A) may not be (a) security holders, officers or employees of our General Partner, (b) officers, directors or employees of any affiliate of our General Partner or (c) holders of any ownership interest in the Partnership other than Common Units and (B) must meet the independence standards of NASDAQ and the SEC and any other applicable laws and regulations governing independence from time to time.

Our conflicts committee reviews specific matters that our Board of Directors believes may involve conflicts of interest and determines if the resolution of the conflict of interest is fair and reasonable to us. Any matters approved by a majority of the members of our conflicts committee (a so-called “Special Approval” under the Limited Partnership Agreement) will be deemed to be permitted and approved by all holders of Common Units, and shall not constitute a breach of the Limited Partnership Agreement or of any duty stated or implied by law or equity.

Compensation Committee

The compensation committee of our board of directors is composed of the same directors constituting the audit committee and conflicts committee, being Rory Hussey (chair), Keith Forman, Abel Rasterhoff, Eleni Tsoukala and Dimitris Christacopoulos. The compensation committee reviews compensation of the members of the board of directors and has overall responsibility for approving and evaluating our compensation plans, policies and programs. The compensation committee does not review or approve the compensation of the executive officers of the General Partner of the Partnership and related executive service agreements.

Director Independence

While our Common Units are listed on the NASDAQ Global Select Market, there is no requirement that our Board of Directors be composed of a majority of independent directors.

The Board of Directors has evaluated whether each of the directors meets the independence requirements set forth in the NASDAQ listing rules and our Limited Partnership Agreement. The NASDAQ independence definition includes a series of objective tests, such as whether the director or nominee director is our employee or has engaged in various types of business dealings with us. In addition, the Board of Directors is required to make a subjective determination that no relationships exist which, in the opinion of the Board of Directors, would interfere with the exercise of the director’s independent judgment in carrying out his or her responsibilities. After reviewing the information presented to it, our Board of Directors has determined that each of Messrs. Rasterhoff, Forman, Christacopoulos and Hussey and Ms. Tsoukala is “independent” within the meaning of such rules. In making this determination, the Board of Directors reviewed and discussed information provided by Messrs. Rasterhoff, Forman, Christacopoulos and Hussey and Ms. Tsoukala with regard to their respective business and personal activities as they may relate to us,

our General Partner and our General Partner's management. Our independent directors will meet in executive session as often as necessary to fulfill their duties, but no less frequently than annually. The Board determined that Messrs. Kalogiratos and Grewal are not independent under the NASDAQ listing rules.

Corporate Governance

The Nasdaq Global Select Market requires limited partnerships with listed units to comply with certain of its corporate governance standards. As a foreign private issuer, we are not required to comply with all of the rules that apply to listed U.S. limited partnerships. For example, in compliance with the listing rules of the Nasdaq Global Select Market, our Board of Directors amended and restated our Omnibus Plan without seeking the approval of holders of our Common Units. See "Compensation of Management and Directors—Executive Compensation."

Although we are not required to have a majority of independent directors on our Board of Directors or to establish a compensation committee or a nominating/corporate governance committee, our Board of Directors is composed of a majority of independent directors and has established an audit committee, a conflicts committee and a compensation committee comprised solely of independent directors.

Accordingly, we have generally chosen to comply with most of the Nasdaq Global Select Market's corporate governance rules as though we were a U.S. limited partnership and, other than as described above, we do not believe that there are at present any significant differences between our corporate governance practices and those that would typically apply to a U.S. domestic issuer that is a limited partnership under the corporate governance standards of the Nasdaq Global Select Market.

Unitholder Communications with the Board of Directors

Although our Board of Directors has not adopted a formal procedure for unitholders to communicate in writing with members of the Board of Directors, any such communications received by the Partnership will be forwarded to our Board of Directors. Because our Board of Directors meets frequently and is able to meet on short notice, the Partnership has not deemed it necessary to adopt a formal communication procedure at this time.

Code of Business Conduct and Ethics and Corporate Governance Guidelines

The Nasdaq Global Select Market does not require a listed limited partnership like us to comply with all of its corporate governance requirements. The Board, however, has adopted a Code of Business Conduct and Ethics. The Board of Directors is responsible for overseeing the Code of Business Conduct and Ethics. Among other matters, the code addresses the following matters concerning the Board and its committees:

- Conduct relating to personal relationships, including conflicts of interest and corporate opportunities;

- Conduct relating to confidential information, including insider trading;
- Conduct relating to company property;
- Conduct relating to records and accounts, including a ban on loans to employees;
- Reporting and compliance procedures; and
- Anti-bribery and corruption.

Our Board of Directors has adopted written charters for the audit, conflicts and compensation committees. See above “—Meetings and Committees of the Board of Directors”.

Role of the Board of Directors in Risk Oversight

Our Board of Directors and the audit committee oversee the management of the risks to which the Partnership is exposed. Risks are identified, assessed and managed on an ongoing basis by the Board of Directors and, under the Board of Director's oversight, the officers of our General Partner, and addressed during periodic board and committee meetings, resulting in both board and committee discussions and public disclosure, as appropriate. The Board of Directors is responsible for overseeing our General Partner's management in the execution of its risk management responsibilities and for reviewing our approach to risk management. The Board of Directors administers this risk oversight function either through the full Board of Directors or through the audit committee, each of which examines various components of the risks to which we are exposed as part of its responsibilities. An overall review of risk is inherent in the Board of Director's consideration of our long and short term strategies, acquisitions and significant financial matters. The audit committee oversees financial risks (including risks associated with accounting and financial reporting), legal and compliance risks and other risk management functions.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our Board of Directors and conflicts committee are responsible for the review and approval of "related party transactions" between us and our directors, the executive officers of our General Partner, our General Partner, Capital Maritime or other related persons. Under SEC rules, a related person is a director, officer, nominee for director or 5% or greater unitholder since the beginning of our last fiscal year and their immediate family members. Each related party transaction is reviewed by the Board of Directors and, when such transaction is referred to it in accordance with the terms of our Limited Partnership Agreement, the conflicts committee before we enter into the transaction.

Managers-Capital Ship Management Corp. and Capital-Executive Ship Management Corp.

Historically, we had three separate technical and commercial management agreements with Capital Ship Management Corp. for the management of our fleet: (i) the fixed fee management agreement, (ii) the floating fee management agreement and (iii), with respect to the vessels acquired as part of the merger with Crude Carriers, the Crude Carriers management agreement.

Capital Ship Management Corp. is a privately held company initially formed and controlled by Capital Maritime. In 2018, Capital Ship Management Corp. conducted a management buy-out led by its senior management. Since then, Capital Ship Management Corp. is no longer part of the group of companies controlled by Capital Maritime.

On November 27, 2018, we entered into a definitive transaction agreement with DSS Holdings L.P. ("**DSS**"), pursuant to which we agreed to combine our crude and product tanker business (the "**Tanker Business**") with DSS's businesses and operations in a share-for-share transaction (the "**DSS Transaction**"). The DSS Transaction was completed on March 27, 2019. Following the spin-off of our Tanker Business, all our vessels were managed under our floating fee management agreement.

In August 2019, we completed the process of changing the manager of our container vessels from Capital Ship Management Corp. to Capital-Executive Ship Management Corp. (the "**Capital-Executive**"), a privately held company ultimately controlled by Mr. Miltiadis E. Marinakis. The

agreement with Capital-Executive has the same terms and conditions of our floating fee management agreement with CSM. M/V Cape Agamemnon remains under the management of Capital Ship Management Corp. under our floating fee management agreement with Capital Ship Management Corp.

Under the terms of these agreements, the Partnership compensates CSM and Capital-Executive for expenses and liabilities incurred on our behalf while providing the agreed services, including, but not limited to, crew, repairs and maintenance, insurance, stores, spares, lubricants and other operating costs.

Costs and expenses associated with a managed vessel's next scheduled dry docking are borne by us and not by CSM and Capital-Executive. We also pay the applicable manager a daily technical management fee per managed vessel that is revised annually based on the United States Consumer Price Index. For the years ended December 31, 2019, 2018 and 2017, management fees under the management agreements amounted to \$3,916,962, \$4,221,472 and \$4,466,188 respectively.

Other Related-Party Transactions

Transactions entered into after December 31, 2019

1. *Share Purchase Agreement for the Acquisition of the Companies Owning the M/V Athenian, the M/V Athos and M/V Aristomenis.* On January 22, 2020, and on January 23, 2020 we entered into share purchase agreements with Capital Maritime for the acquisition of the shares of the companies owning the M/V Athenian, the M/V Athos and the M/V Aristomenis (three sister 10,000 TEU container vessels built in 2011 at Samsung Heavy Industries S. Korea), respectively, for \$54.2 million each. The acquisition of the M/V Athenian was funded with \$38.5 million drawn under a term loan entered into with Hamburg Commercial Bank AG and \$15.7 million of cash at hand, and the acquisition of the M/V Athos and the M/V Aristomenis was funded through a sale and lease back transaction entered into with CMB Financial Leasing Co., Ltd, for an amount of up to \$38.5 million each and \$31.4 million cash at hand.

Transactions entered into during the year ended December 31, 2019

1. *Termination Agreement of the Crude Carriers Commercial and Technical Management Agreement.* On March 27, 2019, our subsidiary Crude Carriers Corp. and CSM agreed to terminate the commercial and technical management agreement, dated as of March 17, 2010, between them as all vessels covered by this agreement were to be spun off as part of the Tanker Business in connection with the DSS Transaction.

2. *Amendment Agreement Regarding the Floating Rate Management Agreement.* On March 27, 2019, we entered into an amendment agreement with CSM to reflect that all our tankers to be spun off as part of the Tanker Business in connection with the DSS Transaction would no longer be managed under the floating rate management agreement.

3. *Amendment Agreement Regarding the Floating Rate Management Agreement.* On August 29, 2019, we entered into an amendment agreement with CSM to reflect that all ten of our container vessels would no longer be managed under the floating rate management agreement with CSM and

that only M/V Cape Agamemnon would continue to be covered by the Floating Rate Management Agreement.

4. *Floating Rate Management Agreement with Capital-Executive.* In August 2019, each vessel-owning subsidiary of our ten container vessels owned at the time entered into a floating rate management agreement with Capital-Executive, pursuant to which Capital Executive provides certain commercial and technical management services. See “Managers-Capital Ship Management Corp. and Capital-Executive Ship Management Corp.”

5. *Executive services agreement with our General Partner.* In 2019, we amended the executive services agreement with our General Partner. See below “—Administrative and executive services agreements.”

Omnibus Agreement with Capital Maritime. On September 30, 2011, we entered into an amended and restated Omnibus Agreement with Capital Maritime, our General Partner and Capital Product Operating L.L.C., which governs the manner in which certain future tanker business opportunities will be offered by Capital Maritime to us (the “**Omnibus Agreement**”). The Omnibus Agreement does not apply to container and drybulk vessels which currently constitute the entirety of our fleet. Under the terms of the Omnibus Agreement, which continues to apply notwithstanding the change of ownership of our General Partner, Capital Maritime and its controlled affiliates (other than us, our General Partner and our subsidiaries) have agreed not to acquire, own or operate product or crude oil tankers with carrying capacity greater than or equal to 30,000 dwt under time or bareboat charters with a remaining duration (excluding any extension options) of at least 12 months (calculated by reference to the earliest of (a) the date the tanker to which such time or bareboat charter is attached is first acquired by Capital Maritime or any of its controlled affiliates and (b) the date on which a tanker owned by Capital Maritime or any of its controlled affiliates is put under such time or bareboat charter) without the consent of our General Partner or our Board of Directors or without first offering such tanker vessel to us. Similarly, we may not acquire, own or operate product or crude oil tankers with a carrying capacity under 30,000 dwt, other than vessels we had owned prior to the date of the Omnibus Agreement, without first offering such tanker vessel to Capital Maritime. Furthermore, we granted Capital Maritime a right of first offer on the disposal of product and crude oil tankers, whereas Capital Maritime granted us a right of first offer on any disposal or re-chartering of any product and crude oil tanker with a carrying capacity greater than or equal to 30,000 dwt owned or acquired by Capital Maritime or any of its controlled affiliates (other than us).

Administrative and executive services agreements. On April 4, 2007, we entered into an administrative services agreement with CSM, pursuant to which the latter has agreed to provide certain administrative management services to the Partnership, such as accounting, auditing, legal, insurance, clerical and other administrative services. On the same date, we entered into an IT services agreement with CSM pursuant to which CSM provides IT management services to CPLP. In addition, we reimburse CSM and our General Partner for reasonable and duly documented costs and expenses incurred in connection with the provision of these services pursuant to both agreements, amounting to \$0.09 million in 2019. In 2019, we amended the executive services agreement (the “**Executive Services Agreement**”) with our General Partner. Under the Executive Services Agreement, our General Partner provides certain executive officers services for the management of the Partnership’s business, as well as investor relation and corporate support services. For the years ended December 31, 2019, 2018 and 2017, such fees amounted to \$1,880,000, \$1,687,500, \$1,687,500, respectively.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth as of the date hereof, the beneficial ownership of our Common Units by each person we know beneficially owns more than 5.0% or more of our Common Units, and all of our directors, director nominees and the executive officers of our General Partner as a group. The number of units beneficially owned by each person is determined under SEC rules and the information is not necessarily indicative of beneficial ownership for any other purpose. Under SEC rules a person beneficially owns any units as to which the person has or shares voting or investment power.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

As a foreign private issuer, Section 16(a) of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), does not apply to our executive officers, directors or holders of 10% or more of our Common Units.

COMPENSATION OF MANAGEMENT AND DIRECTORS

Executive Compensation

The compensation of our General Partner's Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, is set and paid by our General Partner, and we reimburse our General Partner for such costs and related expenses under relevant executive service agreements, as further described below. We do not have a retirement plan for our General Partner's executive officers or directors. Officers, employees and affiliates of our General Partner may participate in employee benefit plans and arrangements sponsored by Capital Maritime, our General Partner or their affiliates, including plans that may be established in the future.

On April 29, 2008, our Board of Directors adopted an Omnibus Incentive Compensation Plan (the "**Omnibus Plan**"), according to which we were entitled to issue a limited number of awards to employees, consultants, officers, directors or affiliates, including the employees, consultants, officers or directors of our General Partner, our Managers, Capital Maritime and certain key affiliates and other eligible persons. The Omnibus Plan contemplated awards in the form of incentive stock options, non-qualified stock options, stock appreciation rights, dividend equivalent rights, restricted stock, unrestricted stock, restricted stock units and performance units. As at December 31, 2018, all restricted units issuable under the Omnibus Plan had been issued, and all restricted units allocated under the Omnibus Plan had vested.

In July 2019, the board of directors adopted an amended and restated Omnibus Plan, so as to reserve for issuance a maximum number of 740,000 restricted common units. On the same day, the Partnership awarded 445,000 unvested units to employees and non-employees. The amended and restated plan is administered by our General Partner as authorized by our Board of Directors. Awards granted to certain employees and non-employees will vest in three equal installments. The remaining awards will vest on December 31, 2021. All awards under the amended Omnibus Plan are conditional upon the grantee's continued service until the applicable vesting date.

Director Compensation

Our directors receive compensation for their services as directors, as well as for serving in the role of committee chair, and have also received restricted units. For the year ended December 31, 2019, our directors, including our chairman, received an aggregate amount of \$0.5 million in cash. In lieu of any other compensation, our chairman receives an annual fee for acting as a director and as the chairman of our Board of Directors. In addition, each director is reimbursed for out-of-pocket expenses in connection with attending meetings of the Board of Directors or committees and is fully indemnified by us for actions associated with being a director to the extent permitted under Marshall Islands law.

In connection with the DSS Transaction, the independent members of our Board of Directors formed a special committee. In light of the significant time commitments required of the members of the special committee, our Board of Directors agreed that we would pay, without regard to the success or failure of the DSS Transaction and in addition to the reimbursement of expenses and payment of all other fees as members of our Board of Directors, (1) US\$25,000 to each member of the special committee (other than the chairman of the special committee) on January 2, 2019 and, with respect to services performed beginning of January 1, 2019 (if any), \$8,000 per month

thereafter and (2) US\$50,000 to the chairman of the special committee on January 2, 2019 and, with respect to services performed beginning of January 1, 2019, \$16,000 per month thereafter.

Reimbursement of Expenses Incurred by Our General Partner

Our General Partner does not receive any management fee or other compensation for managing us. Our General Partner and its other affiliates are reimbursed for expenses incurred on our behalf. These expenses include all expenses necessary or appropriate for the conduct of our business and allocable to us, as determined by our General Partner. In 2019, these expenses for which our General Partner was reimbursed amounted to \$0.1 million.

Compensation Discussion and Analysis

As described above, we do not employ our own management. Instead, the officers of our General Partner are acting on our behalf, as agents of the Partnership.

Pursuant to the terms of the Executive Services Agreement, we paid our General Partner \$1,880,000, \$1,687,500, \$1,687,500, for each of the years ended December 31, 2019, 2018 and 2017, respectively, as compensation for services related to the management of our business and affairs, including the appointment and performance of relevant duties of the chief executive officer, chief finance officer, and a number of additional officers. Officers, employees and affiliates of our General Partner may participate in employee benefit plans and arrangements sponsored by Capital Maritime, our General Partner or their affiliates, including plans that may be established in the future. Upon a “change of control” (as defined in the Executive Services Agreement) officers and consultants appointed by the General Partner may be entitled to certain compensation under their applicable employment or consultancy agreement if they resign within three years after the change of control pursuant to, and on terms consistent with, applicable provisions in their respective agreements. See above “Certain Relationships and Related Transactions—Other Related-Party Transactions—*Administrative and executive services agreements*”.

In determining the amount to be paid to our General Partner under the Executive Services Agreement, our Board of Directors considers the costs incurred and expected to be incurred by our General Partner in providing the services within industry standards.

From time to time, the Board of Directors also considers the appropriateness of granting to our directors and the executive officers and affiliates of our General Partner and CSM restricted units under our Omnibus Plan, subject to vesting requirements, in order to align the interest of our directors, executive officers and such key employees with those of our unitholders. In determining the amount of these grants, the Board of Directors considers the then-current market price of our Common Units, the aggregate holdings of our directors and of the management and key employees of our General Partner, CSM and their respective affiliates, the results of the Partnership’s operations for the year, and the contribution of the Board of Directors, the General Partner’s management and the CSM to the Partnership’s results.
